

COVID-19 Restrictions – National Plan Phase C

Effective from 6:00pm Friday 29 October

To All St Johns' Residents, families and carers,

In alignment with the announced restriction for Phase C the following changes will be implemented from 6:00pm Friday 29 October.

We welcome back families and friends to the Village, with a maximum of 10 able to visit a family residence of an Independent Living Unit and 5 visitors (including dependents) able to visit a family residence of a "Supported Care Apartment".

All activities and facilities will reopen progressively from this Friday. Details on weekly calendar. In line with the Plan the following requirements apply: -

- QR code / registration required upon arrival.
- Fully Vaccinated against COVID-19 is mandatory for entering: -
 - Any Community Buildings
 - Activity Centre & Café
 - Apartment Area and Dining Room
 - Gym or participating in any Group Activities
- For visitors to Independent Living Units and Supported Care Apartments, vaccination status while highly recommended is at the discretion of the resident / visitor (QR code still required).
- Face coverings required indoors only (or outdoors when social distancing is an issue).

Further information will be provided at an upcoming Resident's meeting or by contacting Village reception on 5977-6955.
